<strong>BATON ROUGE --</strong> The Louisiana Department of Children and
Family Services (DCFS) today announced locations where residents of nine parishes can
finalize their application for Disaster Supplemental Nutrition Assistance Program
(DNSAP) benefits. Additional sites will be announced as the need arises or as additional
parishes are approved for DSNAP.
NAP, formerly called Disaster Food Stamps, provides food assistance for eligible
households who do not receive regular SNAP benefits and who need help buying
groceries due to lost income or damages following a disaster.
Each site will serve applicants on a staggered alphabetic schedule. To minimize wait
times, applicants and anyone who pre-applied for benefits should go to a DSNAP
location only on the day indicated by the first letter of their last name. Applicants who
are unable to visit a site on their designated day can go on the final two days each site is
open. Applicants can visit any DSNAP site to receive benefits; they are not required to
visit the DSNAP site in their parish of residence.
The following location will be open Wednesday, September 5 to Wednesday,
September 12 from 8 a.m. to 6 p.m., but will be CLOSED for the day on Sunday,
September 9.
