**<p class="MsoNormal">SITUATION<o:p /></p>
**
**
**

**<p class="MsoNormal">At about 0540 hours 18 June, reports were received of a
**
**ruptured 30 inch natural gas line that resulted in an explosion and fire at
**
**Florida Gas Transmission located on Lee Road near Franklinton in Washington
**
**Parish. As of 0730 hours, the pipeline was reported shut in on both ends and
**
**secure.
**
**Although the gas fire itself is out, the nearby trees are still
**
**burning.<o:p /></p>
