<br />
<b>SITUATION<o:p /></b><br />
<br />
At about 0540 hours 18 June, reports were received of a<br/><br/>>
ruptured 30 inch natural gas line that resulted in an explosion and fire at<br/>
t/>
Florida Gas Transmission located on Lee Road near Franklinton in Washington<br/>
<br/>br />
Parish. As of 0730 hours, the pipeline was reported shut in on both ends and <br/> />
secure.  Although the gas fire itself is out, the nearby trees are still<br/>
>
burning.<0:p /><br />
