**</div>**

**<div>Tropical Weather Outlook:</div>**

**<div>A Tropical Storm Warning is in effect for Baffin Bay to High Island Texas. Tropical Storm Bill is inland over Matagorda Island and is moving toward the west near 9 mph. This general motion is expected to continue this afternoon, followed by a turn towards the northwest by tonight.&nbsp;</div>**

**<div><br />**

**</div>**

**<div>Tropical storm conditions are occurring within the warning area and will likely continue into the evening. Bill is expected to produce total rain accumulations of 4-8 inches over portions of Texas and Oklahoma and 2-4 inches over portions of Arkansas and Missouri. Isolated amounts of rainfall up to 12 inches will be possible in eastern Texas. Reports indicate that maximum sustained winds remain near 60 mph with some**
