Situational Awareness Report  4 May 2017  As of 5:00 PM  

State EOC Activation Level: CAT (Crisis Action Team)

WebEOC Incident Name: 17-015 Severe Wx and Flooding — Statewide — May03

Situation: Another round of severe weather moved through the area yesterday and overnight. Heavy rainfall, damaging winds, large hail and tornadoes were all possible. Any areas that were affected by this past weekend's severe weather were at risk again. Any damages need to be documented separately from the Severe Weather-Statewide-Apr2930 Incident.
