

I-10 West is closed to traffic at Mile Marker 4 before the LA/TX State Line

I-10 West is closed to traffic at Mile Marker 4 (before the Louisiana/Texas State Line) due to flooding on I-10 West in Texas. There is no flooding on I-10 West in Louisiana at this time. The recommended alternate route for large commercial vehicles is I-49 north to I-20 west. Smaller vehicles can use other routes north to I-20 west.
