LABEOC Update - 6 April 2020

As of noon (12:00 PM) today, Louisiana has 14,867 diagnosed cases, 512 deaths and 1,809 patients hospitalized (563 requiring ventilators) associated with the outbreak. All data is available at www.ldh.la.gov/coronavirus.

DHS CISA Cross Sector Coordination Call. Tuesday, April 7, 2pm Central

Dial in: 1-800-593-7177

PIN: 7963614

Texas has implemented checkpoints at all border crossings into the state. Commercial vehicles are to use the left most lane and enter unimpeded. Passenger vehicles may be stopped and required to fill out 14-day quarantine information. Follow the Louisiana State Police & LABEOC social media for updates.
