The Governor has extended the Stay at Home order until May 15, which means some businesses are still directed to be closed, but many businesses can be open, with some restrictions in place to protect the public and their employees.

Business owners should review the updated Stay at Home order, as this is the best way to determine if a they can open. Below is an overview of which businesses can be open. Additional guidance about changes being made in Phase 1 will be issued in the coming days and weeks.
