

DOTD Restaging Buses

**BATON ROUGE, La. -- The Louisiana Department of Transportation and Development (DOTD) announced that it is in the process of restaging its busing assets to locations outside of the potential path of the storm and away from flood zones to ensure they are accessible for citizens future use.
**

**DOTD will maintain 10 coaches, one van and one pet carrier at Zephyr field if an immediate need arises.
**

**Buses will be on standby in nearby locations to return immediately should services be needed in coastal regions. The buses will be located in Lake Charles, Alexandria, Baton Rouge, Lafayette and Carville.

**The Louisiana Department of Transportation and Development (DOTD) is committed to delivering transportation and public works systems that enhance the quality of life. In addition to more than 16,600 miles of roadway, including over 890 miles of interstate, DOTD supports the development of the state's aviation, marine and rail infrastructures. Through this work, we are able to facilitate economic development, create job opportunities, improve vital evacuation routes, and make critical freight corridors safer and more efficient.
