7 p.m. August 30, 2012 | Isaac Update #12

**SEWER SYSTEM STATUS:** We continue to ask residents cut down on sewerage usage as widespread power outages are causing sewer backups. This includes activities such as taking showers, washing clothes, washing dishes, flushing, etc. As residents return and the system gets more use, backups will become more of an issue. We will continue to request this of our residents until power is fully restored across the parish. Tap water remains SAFE in St. Charles Parish.

**GARBAGE PICKUP:** Residential
