State government offices to remain

closed in St. John the Baptist and Plaquemines parishes Tuesday

BATON ROUGE -- Due to continuing safety concerns following Hurricane Isaac, Commissioner of Administration Paul Rainwater announced that Louisiana state government offices will remain closed on Tuesday, September 4, in St. John the Baptist and Plaquemines parishes.

State offices in all other parishes will be open Tuesday. However, department heads should exercise discretion if they have a particular circumstance, such as a building without power, that necessitates employees not reporting to work within a parish that is reopened.

All agency heads are responsible for determining those essential personnel who should remain on duty or those who should report to alternative work sites if necessary.

This message will be emailed to state employees. In
