

GOHSEP SITUATION REPORT

6 February 2014

As of 1230 Hours

STATE EOC ACTIVATION LEVEL: Crisis Action Team

WebEOC Incident Name: 008-14 Winter Weather - Statewide – 6, February 2014

SITUATION: GOHSEP is currently monitoring an upper level disturbance that is producing winter weather in regions of the state today. While the forecast currently calls for minor impacts and little to no accumulations, snow and sleet has begun to fall moderately in different parts of the state. There are no current closures (government/schools), and there have been minimal impacts to the regions. For road closures specific to your area, please visit www.511la.org/
