

Doing Business with FEMA

Thursday, May 29, 2025

You're invited to our FEMA Region 6 Industry Day

Industry Day: Disaster Operations

Industry Day allows us to provide our plans for current or future disaster operations procurement to our industry partners.

If you are interested in being vendor eligible to compete for federal government contracts, the Federal Emergency Management Agency (FEMA) will host two vendor engagement events.

The events include information sessions covering:

- How to do business with FEMA
- Registering your business in SAM.gov
- Where to look for contract activities
- Small and local business set asides
- Small-large business partnerships
- List of common supplies and services procured during disaster operations
- FEMA program personnel will be on hand to discuss potential Fiscal Year 25 contract requirements

Webinar:

Date: Thursday, May 29, 2025
